Committee on Economic Education

The Committee on Economic Education (AEACEE) is a standing committee of the American Economic Association that has been in existence in one form or another since 1955. The mission of the Committee is to improve the quality of economics education at all levels: pre-college, college, adult, and general education. The Committee sponsors regular paper sessions and workshops at the annual Allied Social Science Association Meetings.

the 19th century, based on a textbook by Professor Francis Bowen. It then looks ahead at how the introductory course may change as pedagogical tools improve, as society confronts new challenges, and as the field accumulates new knowledge.

Cosa potrebbe fare l'AIEAA?

- La didattica in senso stretto
 - La "didattica al di fuori delle aule"
-
- * sinergie con altre azioni
 - * il bisogno di essere realisti

Cosa potrebbe fare l'AIEAA?

- La didattica in senso stretto
 - cosa sta accadendo nelle università italiane?
 - cosa sta accadendo nelle università estere?
- Tre punti ...
 - modalità di insegnamento: es. flipped classes
 - argomenti di insegnamento: es. metodologia vs. issues, topics
 - opportunità: es. mettere a sistema le esperienze (es. PhD)
- ... e una proposta
 - creare un gruppo di lavoro sulla didattica (e magari un premio)

Cosa potrebbe fare l'AIEAA?

- La didattica al di fuori delle aule
 - quali sinergie? comunicazione/divulgazione
 - Webinars/tavole rotonde/plenarie/...
 - Pillole di economia e politica agraria
 - Economic digest (risultati di ricerche presentati dagli autori)
 - manutenzione CL e CLM/revisione dei saperi
 - core vs. periphery
