# 6th EAAE PhD Workshop

8-10 June 2015, Rome (Italy)

Call for papers

The objective of the EAAE PhD Workshop is to give European PhD students from different countries the opportunity to present their research in progress in a conference setting and to get feedback from peers and senior economists. Participants will benefit from plenary sessions in which keynote speakers present their most recent contributions and provide guidance on how to successfully carry out research in the agricultural, environmental, food and development economics domain.

## CALL FOR PAPERS

The workshop welcomes submissions by PhD students at any stage of their PhD, as well as students who complete their PhD in 2015. Proposals are welcome in the areas of agricultural, environmental, food and development economics. Proposals should be submitted in English in the form of extended abstracts. There will be two types of contributions: contributed papers and poster presentations. Proposals of contributed papers

should not exceed 2000 words and should be submitted by January 31, 2015. Poster proposals should not exceed 800 words and should be submitted by March 30, 2015. Proposals will be selected by the Scientific Committee. For author guidelines and more information on how to submit your proposals, please visit the workshop website.

## ORGANIZATION

The 6th EAAE PhD workshop will be co-organised by the Italian Association of Agricultural and Applied Economics and the Department of Economics of Roma Tre University.
