AIEAA Thematic Seminars

AIEAA proposes a format for cultural and scientific discussion "self-managed" by AIEAA members to facilitate exchange and sharing of knowledge. Members have possibility to organize thematic seminars aimed at discussing theoretical or empirical topics of interest for the scientific debate. Thematic seminars can be organised in presence, as "webinars" or mixed mode using the technology of the AIEAA's TEAMS platform. More info available [here](#).

Bio Based and Applied Economics
