AIEAA General Assembly

The general assembly was held on June 16th, during the 11th AIEAA Conference. The minutes are available [here](#).

11th AIEAA Congress

The 11th AIEAA Congress on "*CAP, Farm to Fork and Green Deal: policy coherence, governance and future challenges*" organised by University of Tuscia took place in Viterbo (Italy) on the 16th and 17th of June 2022. The presentation of keynote speakers are now available [here](#).

AIEAA Thematic Seminars

AIEAA proposes a format for cultural and scientific discussion "self-managed" by AIEAA members to facilitate exchange and sharing of knowledge. Members have possibility to organize thematic seminars aimed at discussing theoretical or empirical topics of interest for the scientific debate. Thematic seminars can be organised in presence, as "webinars" or mixed mode using the technology of the AIEAA's TEAMS platform. More info available [here](#).

4th AIEAA "Giovanni Anania Summer School"

We are considering organizing the 4th edition of the Giovanni Anania Summer School on 'Evidence-based Policy Making' that will tentatively be held around mid-July 2023. We value your feedback, therefore we are asking a few info to better organize next year edition. Please take a few minutes to answer this survey [Here](#)
